

WE NEED YOUR HELP

Please help raise money for Chapter 266

Please ask a local food store, restaurant, department store, etc. if your Vietnam Veteran group can set up a table with literature on it about our Chapter and the good we do for veterans and the community (Hospital Parties, Christmas Party for kids etc.). In return the people that donate would receive a poppy (Bill has about 1,000 of these), with a tag on it that says "I Support Vietnam Vets of America".

For example, Bill Montgomery already got permission at a local Applebees near him to solicit at their store. You need to get permission before setting up in front of a business.

Please email Bill Montgomery at montgomery18@verizon.net if you need more information or can help out.
